GLADIOLI

Gladiola are of easy culture. The bulbs may be planted as early as the ground can be worked.

***America.** Too much cannot be said of this beautiful dainty pink. The flowers are of immense size and of wax-like texture, borne on a very strong spike. \$1.00 per dozen; \$8.00 per hundred.

Cracker Jack. Large flowers of rich, velvety dark red, throat spotted with yellow and dark maroon. \$1.00 per dozen; \$8.00 per hundred.

***Halley.** A most attractive early-blooming sort, with large, well-opened flowers of delicate salmon pink. Flowers well placed on long, graceful spike. Similar in type to the popular Mrs. Francis King. \$1.00 per dozen; \$8.00 per hundred.

L'Immaculee. New. A truly wonderful spike of pure white flowers, with wax-like texture and with great keeping qualities. As pure white as Europa, but of different shape and a longer spike. \$1.50 per dozen; \$12 per hundred.

Miss Helen Franklin. New variety of the ruffled type, a good white with violet markings on the lower petals, vigorous tall spike with from six to ten flowers open at one time. \$2.50 per dozen; \$20 per hundred.

***Mrs. Francis King.** (The original) A most beautiful "Besnard shade" flame-pink. Immense flowers on a spike growing four feet high, with from eighteen to twenty flowers, six to eight open at one time. A magnificent variety. \$1.00 per dozen; \$8.00 per hundred.

***Mrs Frank Pendleton.** A spectacular variety, producing large, well-expanded flowers, light pink, heavily blotched with blood red in throat. \$2.00 per dozen; \$15.00 per hundred.

***Mrs. James H. Lancashire.** The coloring in this popular Gladiolus, a deep cream fading to a rose-tinted flesh color, with contrasting stripe of carmine on lower petals. Invaluable for florists' use or for home decoration. Many flowers open at one time; excellent keeping qualities. \$3.00 per dozen; \$22.00 per hundred.

***Niagara.** A light crocus yellow, throat shaded deeper. Large open flowers on strong spike. For color, texture and keeping qualities this Gladiolus is one of the very best. \$1.00 per dozen; \$8.00 per hundred.

***Panama.** The companion to America, which has become very popular. A perfect hermosa pink in color with large wide-open, wax-like flowers. \$1.00 per dozen; \$8.00 per hundred.

***Peace.** A grand white flower, very large, with pale violet feathering on inferior petals; flowers correctly placed on a tall, graceful spike. Plant early as it blooms late. \$1.00 per dozen; \$8.00 per hundred.

***Primulinus Hybrids.** Obtained by crossing the species Primulinus with the larger varieties. They have retained all the daintiness and graceful form of their Primulinus parent, even to the "hood" formed by the drooping of the upper petal, and have an added beauty of exquisite coloring, from the softest primrose to a beautiful rose. \$1.00 per dozen; \$8.00 per hundred.

Princeps. Rich dark scarlet, marked with white on lower petals. \$1.00 per dozen; \$8.00 per hundred.

***Rouge Torch.** Large creamy-white flower, with a rouge torch-like tongue on inferior petals, making a striking contrast. \$2.00 per dozen; \$15.00 per hundred.

Schwaben. This is the largest and strongest flowered yellow Gladiolus. A clear citron yellow with aster purple tongue on lower petals. Buds sulphur yellow. \$1.25 per dozen; \$10.00 per hundred.

War. Deep blood red shaded crimson-dark. \$1.00 per dozen; \$8.00 per hundred.

***Wilbrink.** (New.) This variety has everything to recommend it. Immense blooms of a delightful flesh pink, on a graceful spike. An early and profuse bloomer. A few spikes make a splendid decoration. \$2.00 per dozen; \$15.00 per hundred.

***Yellow Prince.** A choice addition to the yellow Gladioli. A clear pinard yellow with flowers well placed on a willowy stalk. Fine in combination with all lavenders. \$2.00 per dozen; \$15.00 per hundred.

Young's Mixture. A fine mixture of the above varieties. \$.75 per dozen; \$5.00 per hundred
